# WHO WE ARE

Dainty Dames Events is owned and operated by Renee Dorian Begley and Jillian Burgos. The Dames began their new endeavor in early 2013 after working together on other projects since 2009. With Jillian's background in writing & forensics and Renee's background in writing & producing, they realized they made a great team! Since writing their first interactive murder mystery performance, they have produced more than 300 shows in various locations all over the West Coast, including but not limited to: Los Angeles, Temecula, Anaheim, San Francisco, San Diego, Burbank, and more.

# HOW IT WORKS

Our professional actors will lead you through a 2-hour, interactive comedy show that involves a murder! It will be up to you and your guests to solve it before another one happens.

But beware: some of the shady characters around you aren't as trustworthy as they may seem.

There are two options when booking your event: hire our actors to play the characters as you and your cohort solve the mystery OR be a part of the mystery with our cast!

Each one of our shows has between 8-12 additional characters that can be handed out to your guests.

## MURDER...WITHOUT A CLUE! (FOR KIDS)

## HEIST...WITHOUT A CLUE!

We offer two versions of our popular CLUE-themed show for younger audiences. Our **kids' version of *Murder...Without a CLUE!*** removes some of the adult relationships while keeping the thrilling fun of a murder mystery.

For clients who prefer a mystery without murder, we have a jewel heist-themed show ***Heist...Without A Clue!*** which incorporates the same level of games, trivia, and audience interaction, without any death.

## SUPERHEROES SAVE THE DAY!

We are also happy to introduce our newest kids' mystery show: ***Superheroes Save the Day***, designed for kids 6 and up!

With the North Pole's very first murder, you'll quickly discover that no one is as holly and jolly as they may seem.

Featuring your favorite Christmas icons, this holiday whodunit will have you hearing SLAY bells. Catch the killer before they shut down Santa's workshop...permanently!

# CUSTOM SHOW DEVELOPMENT

## FULLY PERSONALIZED SCRIPTS

Have an idea for a show theme? We love developing new scripts, and can work with you to create a completely custom event experience from scratch.

No idea is too out there - for one corporate holiday party, we wrote a travelling show whodunit that incorporated gondola rides, a party bus, tiki drinks, and wrapped up at a steakhouse dinner!

*"They wrote a **FANTASTIC custom show** for us. Not only did they keep the group engaged, they did it **ON THE MOVE!** We had a night full of excursions: a party bus, boat cruise, speakeasy, **AND** our final stop for a formal sit down dinner. All along the way, they kept the show **HOT** and **full of laughter and mystery.***

*The attention to detail and willingness to go above and beyond for us has set the bar higher than ever. **There simply aren't other Murder Mystery companies out there like the Dainty Dames!** Without a doubt, I would recommend them to anyone in the market to try something new!"*
